FROM THE DESK OF *the President Pro-Tempore*

Connect with the MidSouth President Pro-Tempore, Rev. Mike Powers, to hear his words of wisdom regarding this new movement called the Global Methodist Church. Enjoy this excerpt:

"Faithful Methodists around the world have been praying & preaching & preparing for a renewal of scriptural Christianity in our faith tradition for many years ... Reflecting on that legacy and the emergence of the GMC for such a time as this, we can hear the saints of old whispering in our ears, WELCOME HOME!"

Who is the GMC?

The Global Methodist Church is a fresh expression of the Methodist movement. We are gathering across districts in the MidSouth to share about the mission, vision, and values of the denomination. What are our confessions, our culture, our structure, and practices? Come ask questions and find community as the Global Methodist Church lives into its goals of multiplying disciples through worship, love, and witness of Jesus Christ.

TRANSPARENCY AND TRUST

CULTIVATED THROUGH SECURE CHANNELS OF GIVING

One of our financial values in the MidSouth Annual Conference is transparency. This transparency includes clear and secure ways of giving that local churches can rely. There are 2 ways that the local church can give to the Conference in a secure manner knowing that their financial giving is well-stewarded.
